9.4 In accordance with IWUF Constitution, recognise its continental member the EWUF as the only Wushu/Kungfu governing body within the European Continent and shall not allow its judges, athletes and officers to participate in, hold any official positions in, or support in anyway directly or indirectly other Continental and/or international Wushu/Kungfu organisations including their associated national members (constituent members/branches), or take part in their activities.

9.5 Based on the IWUF and EWUF Constitutions – the only recognised federations are the IWUF and its 5 Continental Federations (CF), of which the EWUF is the European element. The IWUF Constitution is clear inasmuch as the EWUF as the recognised CF for Europe is responsible for the organisation and management of Wushu in Europe. Therefore as deemed by the EB no other conflicting federations comprising of two or more federation shall be recognised by the EWUF.

a) Any EWUF Member that joins or participates in any such conflicting federation shall be considered in breech of the EWUF Constitution and can be suspended by the decision of the EB pending a review of the situation and a report to Congress who shall decide on the matter and any action if appropriate, which may include removal of the suspension, extension of the suspension, expelling the Member(s) from membership of the EWUF.

The EB shall in its absolute discretion decide on what constitutes such a breech of the EWUF constitution, or other rules or the intent of this clause and initiate what the EB considers to be appropriate measures and report back to Congress on any actions taken. Congress may then reverse such decisions without consequence to the EB. The decision of Congress shall be final in all such matters.

c) The EWUF appreciates that each case needs to be considered on merit as there are different levels of alien associations. In principle if a Member relinquished their association that would be the end of the matter, however if they would subsequently repeat this action the matter would be considered more serious and the EB shall be empowered to take action to suspect them pending the matter being investigated by a dedicated ad hoc committee appointed by the EB and this committees report being given to Congress for a final decision.

9.6 To implement and abide by the resolutions of the EWUF, EB, TC, EC and Congress.

Participation of EWUF Members, officials and athlete’s in none approved activities shall be subject to disciplinary action, which may include but not be limited to warnings, fines, suspension or bans.

9.14 If any member or class of member of the EWUF changes their constitution statutes they must inform the EWUF President with a copy within 28 days of the decision.

Article 10: Autonomy of Members

10.1 Members are required to protect and maintain their autonomy and independently manage all internal affairs without any pressure or interference from a 3rd party.

10.2 Members are required to resist all forms of external pressure, including but not limited to political, religious and economic pressures, which may infringe upon their commitment to comply with the Olympic Charter and/or the EWUF/IWUF Constitution. Bribes and inducements are not permitted.

10.3 Members must ensure that their constitutions make provisions for an election or internal appointment system that ensures a complete independence of the National/Regional Federation vis-à-vis from governments and other public authorities.

10.4 The EWUF will not recognise any election or appointment that has been made in contrast to articles herein.

10.5 The EWUF reserves the right to investigate the membership status and qualification from time to time and specifically but not limited to cases where their membership status changes for whatever reason.

Article 11: Membership Fees

(d) Payment which is not made by or received after the 1st August shall mean the Members shall be demoted and incur a penalty of an additional 100 Euro making a total payment fee of eight hundred (800) Euro.
(e) In the event that a Member must pay in cash the EWUF will consider this as cleared funds up to the date before Congress. However no payment will be accepted in the form of cash or bank transfer on the day of Congress.
(h) The EB have the authority in exceptional circumstances to grant reduced fees outside the aforementioned time line.

11.7 A new Member is required to pay its membership fee for the current calendar year within 30 days following its approval as a Provisional Member by the Congress.
Article 12: Termination, Withdrawal, Suspension, Discipline and Reclassification of Memberships

12.1 The EB, following due process, may propose to terminate or suspend the membership of a member should it refuse to comply with the EWUF Constitution, Congress’ decisions, Rules and Regulations, and/or commit serious violations which severely jeopardize the fame or interests of the EWUF. In such cases, a member will be expelled/suspended upon approval by a vote of more than two-thirds from the delegates attending the following EWUF Congress. The suspension can be of any length decided by the EWUF Congress, until the measures set by Congress are taken to comply with EWUF’s Constitution, Congress’ decisions, Rules and Regulations.

12.2 The following circumstances shall be considered a voluntary withdrawal from EWUF membership:
   a) If the Member no longer exists.
   b) If the Member withdraws its affiliation, it should notify the EB in writing. A withdrawing member should not make any claims against the EWUF including but not limited to financial or property; and the withdrawing member must fulfil its financial and other outstanding obligations to the EWUF. Withdrawal will be effective at a date decided by the EB.
   c) If a Member fails to pay its annual membership fee for two consecutive years it shall automatically cease to be a member.

12.3 Following the withdrawal or termination of membership of a Member, the EWUF has the right to admit a new Member from that country.

12.4 If a withdrawn Member wishes to resume its EWUF affiliation and there is no new Member from its nation or region, it is required to pay double the current admission fee as well as any past annual membership fees accrued during its period of absence, resubmit all relevant documents and a report of activity for the period of the withdrawal.

12.5 In the event of exceptional circumstances that have affected a Member causing them to lapse out of Active Membership for a period of more than 3 years due to difficulties at a national level, the EB has the power to consider their case and negotiate a settlement figure for back membership fees and fines when they apply to become Active Members again.

12.6 If there are good reasons for failing to comply with the Duties of Members they must be made known to the EB prior to the activity concerned. In an exceptional circumstance a Member may be excused for an exceptional reason but repeated absence will be cause for the EWUF to investigate the suitability of the Member in question to be a Member or to reclassify their membership status.

12.7 Failure to abide by the conditions of Membership can be reason for disciplinary action by the Congress, EB or Tribunal for Arbitration.

12.8 If a Member participates in or actively associates with conflicting federations the EWUF can take action against them as specified in item 9.5.
