European Wushu Kungfu Federation

**European Championship and Congress Postponed**

EWUF Members and Associates

Dear Wushu Colleagues,

The Organising Committee of the 2020 European Championships and Congress have confirmed that the event dates have now been cancelled. All efforts will be made to reschedule the event for later in the year.

It has been postponed until **provisionally** the 22 June 2020. We shall update you when more information is available and confirm the new date.

It is our intention to proceed with our Championship and Congress the soonest possible. Do not book any travel until such time as we can confirm a future date for the events.

We appreciate that this is a great disappointment to all.

We are aware that there is the possible impact on future dates with the developing COVID-19 virus outbreak and shall closely monitor this situation to ensure the safety of our participants.

Raymond Smith
For and on behalf of the EWUF Executive.
